Dear Jerry,

A quick note this morning to once again thank you for doing such a good job for us during our July 4th cruise. I appreciate your cooperation in volume control and flexibility in all of those things that go for making a successful function.

As I mentioned, I would like to ask you to go ahead and put yourself on reserve for Thursday evening, December 11th, during our New York Board of Directors meeting. It will be held at Le Cirque. Primarily it would be background music with a possibility of a little dancing.

I'll be in touch with you as the time draws nearer to talk about specifics.

Sincerely,

Robert E. Morris
