Dear Jerry,

Thank you so very much for performing at Robert Wood Johnson University Hospital on December 3rd. Your talent added a special touch to our festivities.

I also greatly appreciate your cooperation in accomodating us on such short notice. Now that I know where to rent a piano, I hope that I can contact you for future events.

Thank you again, and have a happy holiday season.

Sincerely,

Barbara Trattler, RN, MPA, CNOR, CNA
Director, Perioperative Services
